

FROMM Polypropylene Strap Tensioner

The FROMM PP Strap Tensioner is a robust & reliable tool designed for 12, 15 & 19mm strap that is always ready when you are. Simply feed the strap through and crank the lever to tension.

FROMM Polypropylene Strap Sealer

The FROMM PP strap sealer is to be used after PP strap has been tensioned. Simply apply your seal to the tensioned strap and clamp.

Open Flange Seal for Polypropylene Strap

Open flange allows placement over the PP strap before or after tensioning. Suitable for - 12, 15 and 19 mm (1000/pack)

Polypropylene (PP) Strap
